Nachhaltigkeit Sustainability

Nachhaltigkeit gewinnt weltweit an Bedeutung. Daher ist es unser Ziel immer nach ganzheitlich ökologischen Lösungen zu suchen.

*Sustainability is gaining in importance worldwide.
Therefore, it is our goal to constantly search for holistic ecological solutions.*

In der Produktion setzen wir auf hochmoderne, umweltfreundliche und energie- und ressourcensparende Produktionsanlagen, die sowohl unseren hohen Qualitätsansprüchen als auch unserer Nachhaltigkeitsphilosophie gerecht werden. Wir produzieren nach der ISO-Zertifizierung 9001 und 14001. **Hergestellt in Deutschland.**

*In production, we use state-of-the-art, environmentally friendly as well as energy and resource-saving production facilities that meet both our high quality standards and our sustainability philosophy. We produce with ISO 9001 and 1400 certification. **Made in Germany.***

FSC®: Das FSC®-Siegel des Forest Stewardship Council® gewährleistet, dass das verwendete Holz aus nachhaltiger und umweltgerechter Waldbewirtschaftung stammt.

The Forest Stewardship Council® FSC® seal ensures that the wood used comes from sustainable and environmentally sound forest management.

„I live in Northern Ireland, by the sea, with my pets and my surroundings to inspire me. I'm so lucky to have a job where I can combine the things I've always loved - animals, nature, art and craft.“

Ich lebe in Nordirland, am Meer, mit meinen Haustieren und in einer Umgebung, die mich inspiriert. Ich bin so glücklich, einen Job zu haben, bei dem ich die Dinge so kombinieren kann, die ich schon immer geliebt habe - Tiere, Natur, Kunst und Handwerk.“

marimekko

Als das finnische Designhaus **marimekko** 1951 gegründet wurde, gaben die außergewöhnlichen Muster und Farben seiner bedruckten Stoffe dem Unternehmen eine starke und einzigartige Identität.

Heute ergibt sich aus **marimekkos** zeitlosem und schöpferischem Dialog zwischen Farben, Mustern und Formen eine unverwechselbare Designsprache, die weltweit Freude bereitet.

Die einzigartigen Muster der **marimekko**-Servietten von **ihr** bringen Schönheit auf Tische überall auf der Welt sowohl im Alltag als auch bei festlichen Anlässen.

*When the Finnish design house **marimekko** was founded in 1951, its bold colours and unconventional prints gave it a strong and unique identity.*

Today, its inventive, yet timeless dialogue between colour, pattern and shape translates into distinctive designs that celebrate the art of print making all over the world.

*On tables around the globe, the original patterns of the **marimekko** napkins made by **ihr** bring beauty to everyday moments and special occasions alike.*

DIE SPIEGELBURG

Der 1768 gegründete Coppentrath Verlag wurde 1977 von dem jungen Grafiker und Verleger Wolfgang Hölker übernommen. Heute leitet er das in Münster ansässige Familienunternehmen mit über 180 Mitarbeitenden gemeinsam mit seiner Tochter Johanna Hölker sowie Geschäftsführer Dr. Lambert Scheer. Ein alter Kornspeicher aus dem Jahr 1896 sowie die Alte Feuerwache, erbaut 1928, spiegeln den Spirit des Verlages wider: ungewöhnlich anders und voller Überraschungen. Kinderbücher von „Hase Felix“, „Prinzessin Lillifee“ und „Käpt'n Sharky“ sind heute weltweit bekannt. Seit den 1990er Jahren stellt der Verlag mit der Edition „Die Spiegelburg“ eine spielerische Verbindung zum Buchprogramm her. So tauchen die Bilderbuchhelden als Plüsch, auf Spielen und Schulartikeln auf. Weitere Schwerpunkte des Verlags sind Bücher für die Kleinsten, Kreativbücher, Jugendbücher, Alben und Adventskalender. Auch die Segmente Feine Papeterie und Geschenkbuch werden breit bespielt. Die Papeterie-Kollektionen begeistern mit umfassenden Themenwelten in trendigen Designs, wie insbesondere die Design-Serie „All about...“.

Coppentrath Verlag, founded in 1768, was taken over in 1977 by the young graphic designer and publisher Wolfgang Hölker. Today, he manages the Münster-based family business with over 180 employees together with his daughter Johanna Hölker and managing director Dr. Lambert Scheer. An old granary from 1896 and the Old Fire Station, built in 1928, reflect the spirit of the publishing house: unusually different and full of surprises. Today children's book characters like „Felix the Bunny“, „Princess Lillifee“ and „Captain Sharky“ are known all over the world. In the 1990s the publishing house established the merchandising/non-book section „Die Spiegelburg“, which since then has created a playful connection with the book program. The picture book heroes appear as plush toys, on games, on school supplies and on many other products. The publishing house also focuses on books for the youngest, creativity books, young adult books, albums, advent calendars, stationery and gift books. The stationery collections come along with comprehensive themed worlds in trendy designs, such as the design series „All about ...“ in particular.
