

Candle Family

Candle Family is the producer of natural wax, scented and odorless candles, home fragrance and car scents. We started our activity in spring 2017 in Lithuania. We pour every candle with our own hands with a lofty mood and great love for the products we create.

We select scents and production materials slowly and thoroughly, and our collections are created with the help of professional product designers. We are here to create cosiness in our customer home, at the same time basing our activity on a slogan WE LIVE COZY.
