

# BAREBONES

Lookbook 2024

## **WE ARE BAREBONES**

OPEN- FIRE COOKING.

NATURE- CENTERED DINING.

TRANSFORMATIVE COMMUNAL EXPERIENCES.

Barebones is about what feeds you. Literally. Figuratively. Soulfully. We are about food, nature, and the pull of the fire—and we supply the inspiration, goods, and guidance to help you revel in them. Creating community. Connecting with the moment, each other, and the food on your plate. Forging relationships. Standing in awe. Being transformed. Around the fire, under the stars. Join us in creating something that changes everything.

### **SUSTAINABILITY THROUGH PACKAGING**

Barebones is committed to eliminating single-use plastics in our packaging and master packs. This helps to reduce our overall carbon footprint, and aligns with our philosophy of connecting with nature and community.

Barebones is a purpose-driven organization that leverages products, profits, expertise, and experience to be a force for good. We focus on creating long-term, sustainable solutions within our organization, our local community, and around the world.

## ORIGINS / THE STORY

Barebones has a history steeped in philanthropic work and continues to help lift people out of poverty by providing essential skills, education, and tools.

The first product ever created by the Barebones team was the state-of-the-art emergency shelter, and this continues to be one of the primary assets they provide to underprivileged communities and disaster recovery efforts. With these bare-bone shelters, people in countries across the globe are actively receiving the protection they desperately need.

Barebones has evolved from its philanthropic roots, but continues humanitarian efforts and the "Do Good" philosophy it was founded on.

## OUR FOUNDER / THE VISION

*"When you do good from your heart, magic happens, and that goodness comes right back."*

Robert Workman has spent his career finding ways to give back: from the early days with his first philanthropic endeavour, Tifie, a non-profit that helped marginalized individuals meet basic needs, to Goal Zero, a company that started as a way to provide solar power to groups in the Congo (and now to many around the world).

In recent years, Robert has gone back to his agricultural roots by creating Barebones and the products that help connect people to food, nature, and the primal pull of the fire. He's become more in tune with mother nature and finds joy in helping others do the same.

## SUSTAINABILITY / THE IMPACT

Barebones is a certified B Corporation. We meet the highest verified standards of social and environmental performance, transparency, and accountability, and focus on long term solutions that create a positive impact on our employees, our community, and the world.

Our philosophy on sustainability is ever-evolving: we work hard to go above and beyond set goals and metrics to reduce waste and minimize environmental impact. Our latest aim is to remove all single use plastics in our box packaging and master-packs.

## GIVING BACK / THE CULTURE

Giving back is a key element of our company culture and at the heart of what we do. Employees are given a week of time each year to volunteer for a non-profit of their choice and volunteer locally at Roots Charter High School in Utah.

Barebones believes in empowering communities to thrive, both locally and internationally, when resources are available. This abundance mindset is their "why" behind the generous donation of time, energy, knowledge, and products for the benefit of communities near and far.

# Heavy Duty Grill Grate

Item no. CKW-476

Heavy-duty steel grill grate for open-fire cooking. Portable, simple, and ready to go - a cooking surface wherever you need it. Folding legs make for easy transportation and compact storage. Cook directly on the grill surface for seared steaks, sausages, veggies, and more. Use with our cast iron skillet or dutch oven for even temperature and increased versatility.

## FEATURES

- Q235 steel mesh grill and frame
- Constructed with high-temperature black coating
- Works with Barebones Fire Pit
- Legs fold underneath for compact storage

## SPECIFICATIONS

- 78,7 x 40 x 23,5 cm
- 3266 gr

# Fire Pit Grill Grate

Item no. CKW-477

Transform your campfire into a wood-burning grill with our compact Circular Fire Pit Grill Grate. Crafted with high-temperature coated stainless steel and folding legs for easy transport. Grill directly on mesh or use to support pots and skillets. Place over wood or coals.

## FEATURES

- Q235 steel mesh grill and frame
- Constructed with high-temperature black coating
- Three 20 cm legs for stability
- 17,8 cm ground clearance

## SPECIFICATIONS

- 42 x 42 x 18,4 cm
- 1180 gr

# Cowboy Grill Charcoal Tray

Item no. CKW-443

Designed with safety in mind, the Cowboy Grill Charcoal Tray provides a variety of options to safely control and dispose of your charcoal or wood-burning fire. Crafted with high-temperature coated stainless steel and 5,1 cm ground clearance. Easily rest the charcoal tray inside the Cowboy Grill Fire Pit or combine with the Fire Pit Grill Grate to create a compact fire pit and grill.

## FEATURES

- Rugged steel construction
- Constructed with high-temperature black coating
- Includes sets of 5,1 cm legs (4 legs total)
- Use in fire pits, campground fire areas, or on its own
- Holes for ventilation allow airflow to reach coals

## SPECIFICATIONS

- Diameter: 47 cm
- Width with handles: 54 cm
- Height: 10,2 cm with legs
- 3538 gr

# Flatbrook folding Stove

Item no. CKW-437

A portable folding camp stove whenever and wherever you need it. Sturdier than a backpacking stove, but still light enough to easily transport with you car camping, rafting, or to the park for an afternoon activity with family. Unlike many camp stoves, our Flatbrook Folding Stove was designed to withstand the weight of heavy-duty cookware like cast iron skillets and dutch ovens. This stove utilizes wood, coal, or pellets so you can leave the extra fuel canisters at home. Build a fire directly on the ground or use the bottom plate to hold the flame. Made of durable, SPCC steel with a 600 degree black powder coating that will keep for years of use. Assembles in less than a minute and packs flat for storage.

Included heavy-duty 600D polyester bag keeps everything organized in one place.

## FEATURES

- Sets up in 4 simple steps with updated design
- Stable tripod is sturdy enough for heavy cookware
- High-temperature, powder-coated steel
- Burn wood, coal or pellets
- Packs flat for easy transportation and storage
- Included durable 600D Polyester Carry Bag

## SPECIFICATIONS

- Fully assembled: 36 x 30 x 20 cm
- Bag size: 29,5 x 38 x 2,5 cm
- 600o Powder Coated SPCC stainless Steel
- 600D Polyester with 210D padded lining.

# Cowboy Grill Wok

Item no. CKW-457

The Cowboy Wok (otherwise known as a Discada) gets its name from the shallow, contoured disc-shaped pan that provides a large cooking surface, heats quickly, and holds its temperature. It was historically used for dishes such as paella, carne asada with fresh tortillas, and big mix-it-all-together breakfasts in cowboy country.

The Barebones Cowboy Wok is crafted from durable low-carbon rolled steel with a blued finish and twisted, hand-forged steel handles. This 15" version is ideal for cooking for a small group while camping or on the go. Added steel stand adds cooking options, and canvas/cotton carry bag makes quick work of packing and travel.

## FEATURES

- Cook safely over a variety of heat sources: wood, charcoal, or gas stovetop
- Develops a natural non-stick coating over time
- 1.5 mm carbon steel hand-blued finish
- Twisted, forged steel handles
- 38 cm diameter
- Height: 44.5 cm
- 1.5 cm depth from edge to center
- Carry bag and steel stand included

## SPECIFICATIONS

- Carbon Steel
- 100% Cotton canvas carry bag
- 100% Full-grain cow leather (patch)

# Cowboy Cooking Grilling Tools

Designed to hang and work with our Cowboy Fire Pit Grill - 30" w/ Adjustable Legs, our tools are crafted with hand-forged stainless steel and fitted with a smooth, natural walnut handle that keeps cool over high heat. Longer than normal length allows for comfort and safety when working around fire and hot coals.

## FEATURES

- Designed with direct input from Barebones open-fire chef partners
- Hand tooled and forged elements
- Stainless steel with antiqued blackened finish
- Walnut color natural wood handle

## SPECIFICATIONS

- Tongs: 41,3 x 12,7 x 3,2 cm
- Coal Shovel: 63,5 x 13,3 x 6,35 cm
- Spatula: 61,6 x 10,2 x 7 cm
- Ladle: 58,4 x 11,4 x 8,3 cm
- Carving Fork: 34,3 x 4,5 x 5 cm
- Chef Spoon: 31,8 x 2,25" x 5 cm
- Fish Spatula: 31,8 x 8,9 x 5 cm

# Polished Dutch Oven

Item no. CKW-327

Our all-new premium Polished Cast Iron Dutch Oven showcases a classic esthetic with elevated quality and function. Skip the seasoning and achieve a perfect cooking surface on day one with the polished, non-stick surface. Intentionally designed for open-fire use, with dual pour spouts, and iconic heat dispensing technology make this a dream to cook in. Dutch oven lid has added brim for holding hot coals and acts as an additional cooking surface. Copper-plated spiral handle disperses heat while adding elevated flare. Pre-seasoned with natural, organic oils and ready to use right out of the box with your stove, oven, or on an open fire.

## FEATURES

- Japanese-inspired design
- Polished finish on dutch oven cooking surface
- Included dutch oven lid with heat-dispersing copper D-ring handle
- Under-lid can be used as an additional cooking surface
- Pre-seasoned with organic sunflower oil
- Non-stick characteristics over time
- Ergonomic heat-dispersing copper spiral bail handle
- Thicker base distributes heat evenly
- Lighter weight than similar products
- Materials: HT150 Iron. Copper plated No. 70 spring wire. Organic 100% sunflower oil.

## SPECIFICATIONS

- 16,5 x 29 x 29 cm
- 5800 grs

# Cast Iron Flat Pan

Item no. CKW-314

Use the Cast Iron Flat Pan to make crepes, pancakes, tortillas, pizzas, and more. Lighter than a skillet and smaller than a griddle, it's versatile yet easy to store and carry. Naturally nonstick with open sides, flipping and serving delicate dishes is simpler than ever.

## FEATURES

- 12" pre seasoned cast iron cooking surface
- Open sides and high back
- Comfort grip handle
- Crafted for indoor/outdoor use
- Seasoned with sunflower oil

## SPECIFICATIONS

- 45,7 x 31,8 x 8,3 cm
- 3,45 kg

## Cast Iron Skillet

Say hello to the Cast Iron Skillet you won't want to go without. Complete with comfortable grip handle, dual pour spouts, and iconic heat dispersing technology. Increased steel means no cracking or breaking with rapid temperature change, and 15% lighter weight than similar cast iron products. Pre-seasoned with natural, organic oils so it's ready to use right out of the box with your stove, oven, or on an open fire.

Savor each flavor. Love each and every meal. Welcome to Cast Iron Skillet perfection.

### FEATURES

# Long Handle Wok

Item no. CKW-455

Inspired by a traditional wok, our Long Handle Wok expands your cooking repertoire whether you're preparing food in a kitchen or in the great outdoors. The heavy-duty 12" rolled steel bowl features a hand-blued finish that prevents rust and corrosion over time. Intentionally designed for open fire use, the extra-long 18" durable walnut handle provides extra comfort and safety. Thoughtfully placed stainless steel and copper band protects wooden handle from open flame while adding elevated flair.

Need to multitask? The hand-blued steel ring base allows the wok to be left in an ideal cooking position without constantly holding the handle. Set it on the gas stovetop or fire while you finish your meal prep. Briquettes can also be placed inside the ring for an instant grill on the go. A versatile and travel-friendly addition to your camp or kitchen collection.

## FEATURES

- Cook safely over a variety of heat sources: wood, charcoal, or gas stovetop
- 30 cm rolled steel bowl with hand-blued finish
- 45 cm durable walnut handle
- Stainless-steel band with copper finish
- Included hand-blued ring base for use in fire or as a stand for prep
- Included hanging loop on handle
- Material: Steel, walnut, copper.

## SPECIFICATIONS

- Wok (assembled) 74 x 30 cm dia / 1542 gr

- 181 gr

Item no. CKW-492

Item no. CKW-493

## No. 9 Bread Knife

Once you own a bread knife, you never go back. This thin blade has sharp, serrated edges that effortlessly slice through bagels, cakes, and baguettes. This bread knife also functions as an excellent all-around deli knife for thinly sliced meats.

## No. 7 Nakiri Knife

The Nakiri is an absolute workhorse when heavy-duty prep work is on the table. The Nakiri is the perfect blend of the versatility of a chef knife and the blunt shape of a cleaver. The square shape and straight edge make it ideal for chopping cumbersome vegetables when the rocking motion of a chef knife won't do. Use it on sweet potatoes, butternut squash, or large zucchini. The deep, flat blade finesses through shredding and chiffonading lettuces, cabbages, and other leafy greens with ease.

### FEATURES

- 50CrMoV15 stainless steel
- Full-tang forged German-grade blade
- Resin-infused Pakkawood with textured grain
- Ergonomic handle is weighted and balanced for comfort
- Signature copper accent
- Leather sheath included

### SPECIFICATIONS NO. 9 BREAD KNIFE

# Ridgetop Chair & Table

Inspired by antique school and church folding chairs historically used indoors, this wooden folding chair & table are reimagined for outdoor use. Unique and portable, the Ridgetop is ideal for use as part of an urban patio set, in a backyard, camping/glamping, or as extra seating during a large dinner party. Hardwood birch, stainless steel, and copper details come together to create a seamless and natural aesthetic that blends into any outdoor scene. Sturdy and built to last, this chair folds down easily; store it when not in use or pack it in an RV or car. The Ridgetop Folding Chair & table are stained with a lovely natural honey color and finished with a weatherproof satin clear coat. Seat is slightly curved, smooth, and shaped for comfort. A unique camp and backyard accessory that's quality enough to use indoors when extra room is needed.

## FEATURES

- Hardwood birch plywood construction
- Stained for a natural warm birch tone
- Weatherproof satin clear coat finish
- Stainless steel hardware
- Copper rivet accents
- Folds flat for easy storage and transportation
- Antique inspired design

## PRODUCT DIMENSIONS:

- Chair: 54 x 45 x 78,8 cm
- Seat height: 40,6 cm / size: 42 x 42 cm
- 4540 gr
- Table: 56 x 56 x 58,4 cm.
- Table Folded: 56 x 7 x 78 cm
- 4710 gr

# Kuksa Wooden Drinking Cup

Item no. CKW-1021

Our reusable drinking cup is inspired by the traditional nordic cup called the "kuksa" and crafted with the sacred traditions in mind, we have added a few of our own touches. Made from sustainably sourced Acacia wood, our multipurpose wooden cup offers a unique aesthetic to match your unique needs. We iterated on the traditional Kuksa handle shape resulting in an ergonomic handle to ensure secure grip of your valuable contents, and allowing users to hold in a variety of different ways. Stow it, clip it, grip it, the Kuksa Wooden Drinking cup is sleek, functional and super lightweight for taking into the bush or a backyard.

## FEATURES

- Sustainably sourced Acacia wood
- Reusable cup
- Ergonomic, notched out handle for clipping or different grip options
- Suitable for hot or cold contents

## PRODUCT DIMENSIONS

- 8 oz / 236 ml
- 13,3 x 8,9 x 6,4 cm

## Edison Mini Lantern

USB or battery powered mini lantern based off the design of our best selling Edison Pendant. Inspired by old mining and warehouse lights, this water- and rust-resistant steel lantern creates an intimate space anywhere. Light enough to hang from a tree branch or create a soft glowing atmosphere with several together. Pair with our Barebones Power Banks or utilize 2 AA batteries (not included) for light on-the-go.

### FEATURES

- Dual brightness settings
- 1.6 Watt Warm Edison-style LED bulb
- Light Spectrum: 3000K
- Lumens: Low: 35 High: 100
- Input: 5V, 2A USB

Ocean Blue: LIV-171

# Outpost Lantern

Inspired by old mining and warehouse lights, this water- and rust-resistant steel lantern creates an intimate space anywhere. Larger in size than our popular Edison Mini Lantern, the Outpost Lantern is ideal in a tent, as a glamping reading light, curated on an outdoor tablespace, or hung decoratively in a backyard or urban patio. The Outpost utilizes a warm Edison-style LED rope light in the shape of a Helix. This unique LED filament adds a vintage quality and produces a warm, soft glowing atmosphere. There are three ways to power the Outpost Lantern allowing for maximum versatility: USB-C to external power source, via the Barebones-specific LI-ION battery that recharges internally, or via D-cell batteries.

## FEATURES

- Water- and rust resistant
- Powder-coated finish on steel components
- Unique Edison-style LED rope
- LED: 3 Watts
- Lumens: Low: 60 | High: 180
- Color Temperature: 3000 K
- Battery: LI-ION 2-18650 | 4400mAh 3.7V 16.28Wh or Two D Batteries
- Charge Time: 6 hours (with Barebones 2 x 18650 battery pack installed)
- Run Time: Low: 20+ Hrs | High: 8 hrs
- Input: 5V USB-C
- IPX4 Weatherproof Rating
- Carabiner included for hanging

## SPECIFICATIONS

Item No.  
Antique Bronze: LIV-140  
Vintage White: LIV-141

# Edison Pendant Light

Inspired by old mining and warehouse lights, high-tech meets vintage in the Edison Pendant Light. Water and rust-resistant and powered by USB portable charger or a 300 cm cord, this light is designed to be at home among the trees, on the terrace, or to liven up any outdoor entertaining space. Use alone or string up to six pendants together. Portable charger sold separately.

## FEATURES

- Two brightness settings
- Carabiner included for hanging
- LED: 1.6 watt warm Edison-style led bulb
- Light Spectrum: 3000k
- Lumens: low: 35 high: 100
- Input: 5v, 2a USB
- IPX4 water resistant rating

- 181 gr

Item No.  
Antique Bronze: LIV-264  
Red: LIV-266  
Copper: LIV-268

## Outpost Pendant Light

Create a dreamy patio or glamping experience with the Outpost Pendant. A larger, more premium version of our Edison Pendant Light, the Outpost offers a smooth dimmer, durable braided cord, unique coiled Edison LED filament, and caged steel exterior. Hang the pendant far from a power source with included 10-foot USB-C cord. Use alone for a glowing ambiance in any corner or string up to six together with seamless transition from low and moody to brightly lit. (Try along a front porch or throughout a backyard for an evening gathering.) Weather- and water-resistant.

### FEATURES

- Water- and rust resistant
- Powder-coated finish on steel components
- Smooth dimming coiled Edison LED filament
- LED: 5 Watts
- Lumens: Low: 5 | High: 250 ± 20
- Color Temperature: 2700-3000 K
- Current: 1A
- Weather-resistant lantern (plug ends not waterproof)

### SPECIFICATIONS

- Cable length from power source: 27 cm'

Item No.  
Antique Bronze: LIV-150  
Vintage White: LIV-151

# Vintage Flashlight

Convenient everyday LED flashlight with a nod towards its vintage cousin. Cage styling with grey hammertone-style texture paint gives a classic look with modern appeal. Perfectly sized to fit in your hand. Throw it in your bag or car for emergencies or pack it while camping or hiking. Additional hook on bottom makes it easy to hang at eye-level in the garage or tent. Includes USB-C charging cable. Up to 24-hour run time.

## FEATURES

- Dual brightness settings
- 1.6 Watt Warm Edison-style LED bulb
- Light Spectrum: 3000K
- Lumens: Low: 35 High: 100
- Input: 5V, 2A USB

# Miners Lantern

Item no. LIV-230

A completely unique collector's item. This vintage-inspired, single-direction lantern is modeled after an antique miner's lamp typically mounted on hard hats. Traditionally, this lamp was powered by gas and lit by a flame. Our updated version features a dimmable 2-watt LED light and a removable, rechargeable LI-ION battery. Included strong magnetic base features anti-slip materials: Place it on any metal surface. Pure, 100% matte brass feels heavy and comfortable in hand, while solid copper and polished aluminum accents add a premium, luxury quality. Beautiful and eye-catching, this lantern can be displayed indoors as a conversation piece and beautifully exist in any space.

*Due to the nature of the materials used, this lantern will tarnish and age over time.*

## FEATURES

- Dimmable, rechargeable LED with battery level indicator
- Included USB-C charging cable
- Pure copper, brass, and aluminum components
- Included bottom magnet with anti-slip materials
- Weather- and water-resistant
- LED: 2W
- Lumens: Low: 30 / High: 250
- Temperature: 3000 K
- Battery: LI-ION 18650 / 220 mAh 3,7V 8,14 Wh
- Runtime: Low: 15+ Hrs / High: 3+ Hrs
- Charge time: 3 Hrs
- Input: 5V USB-C

## SPECIFICATIONS

- 6 x 5,5 x 10,5 cm
- 200 gr

# Edison Light Stick

Item no. LIV-135

A completely unique collector's item. This vintage-inspired, 100% brass and copper light stick is an outdoor lantern and emergency flashlight in one. Dual lighting options make it ideal for camp or a luxury backpacking item: light up your tent with the lantern and head down the trail with the flashlight. Clip it on your travel bag or store it in your emergency kit.

Light Stick offers seven different lighting modes to create the perfect illumination or ambiance. Weighted brass feels heavy and comfortable in hand, while copper and leather accents add a premium quality. There are three ways to power the Edison Light Stick allowing for maximum versatility: USB-C to a wall source, USB-C to a portable charging source, and via the Barebones-specific LI-ON battery that recharges internally.

Additional included USB-C port allows external charge, such as a phone from the Light Stick. Lantern runs for over 40 hours on low and 4.5 hours on high and flashlight runs for over 70 hours on low and 7 hours on high.

## FEATURES

- Lantern and flashlight in one
- Rechargeable, with included battery level indicator
- Pure copper, brass, and leather components
- LED lighting with seven lighting modes
- Leather accent with vintage white reinforcement stitch
- Weather-resistant

## SPECIFICATIONS

- 4 x 4 x 11 cm
- 227 gr

# Edison Light Stick

A unique collector's item, this vintage-inspired, the light stick is an outdoor lantern and emergency flashlight in one. It is the most multi-purpose and compact light in our collection. Dual lighting options make it ideal for camp or a luxury backpacking item: light up your tent with the lantern and head down the trail with the flashlight. Clip it on your travel bag with the added strap, or store it in your emergency kit. Flexible lantern LED rope is a warmer, softer light ideal for reading or card games, while the flashlight is a cooler LED ideal for food prep or utilizing as a direct light source. Light Stick offers seven different lighting modes to create the perfect illumination or ambiance. Beautiful and eye-catching, this Light Stick could be displayed indoors as a conversation piece. Power the Edison Light Stick in three ways: USB-C to a wall source, USB-C to a portable charging source, and via the Barebones-specific LI-ON battery that recharges internally. Additional included USB-C port allows external charge, such as a phone from the Light Stick.

## FEATURES

- Lantern and flashlight in one
- Rechargeable, with included battery level indicator
- Pure steel and leather components
- LED lighting with seven lighting modes
- Leather accent with vintage white reinforcement stitch

# Pivot Arc Lighter

Item no. HMS-2145

The Pivot Arc Lighter is a sleek, innovative reusable lighter that utilizes electric plasma technology to provide an ultra reliable flame. With a pivoting arm, this lighter is designed for easy storage and handling, making it perfect for everyday use. Made with high-quality die-cast zinc parts and finished with a tumbled brass coating, the Pivot Arc Lighter is built to last, and the wind-proof design ensures use in all weather conditions. Powered by rechargeable lithium-ion batteries instead of butane, the Pivot Arc Lighter is an ideal alternative to single-use plastic lighters and a worthy collectors item.

## FEATURES

- Eco-friendly, durable electric lighter
- Made with die-cast zinc and tumbled brass
- Uses electric plasma technology
- Features a pivoting arm for easy storage and handling
- Wind-proof design allows for use in any weather conditions
- Powered by rechargeable lithium-ion batteries for long-lasting use
- 40 ignitions, ~7 seconds each
- Recharges via USB-C port.

## SPECIFICATIONS

- Length folded: 10,3 cm
- Length extended: 18,4 x 2,2 cm
- Thickness: 1,7 cm
- Die-cast zinc, tumbled brass
- 133 gr

# Power Banks 10000 mAh

Barebones Power Banks are a versatile tool to provide power whether you're exploring the outdoors or traveling. Each power bank is a portable charger with a heavy-duty magnetic base and copper handle that swivels into for various hanging angles. Compact and light with a durable aluminum case, the rechargeable power bank works with any USB-compatible device.

## FEATURES

STORE & CARRY COLLECTION

## Neelum Tote Bag

A perfect carry-all, this oversized waxed canvas tote is handsome, versatile, and water-resistant. Use it as a farmers market tote, everyday grocery bag, or car organizer. Thick, durable cotton straps and sturdy metal hardware make this a tote you'll use for years. Two sizes available.

Like high-quality leather, waxed canvas looks and feels better the more you use it; expect a beautiful patina to evolve. Waxed canvas is also super tough, easy to wipe off and clean, and an animal-safe alternative to leather.

### FEATURES

- Ideal as a grocery bag or farmers market tote
- Durable straps offer multiple carry options
- Made of 12 oz canvas waxed
- Durable and repels water
- Beautiful patina evolves over time
- Simple, long-lasting design

### SPECIFICATIONS

- STC-718 (Market Tote Bag): 55 x 26 x 28 cm.
- STC-719 (Oversized Tote Bag): 30,5 x 16 x 34,5 cm.

# Padded Utility Storage Bag - 7L

Item no. LIV-225

Shorter and wider with more volume than our zippered lantern storage bag, the all-new Padded Utility Storage Bag was designed to comfortably store a variety of Barebones products. The four-section padded divider safely stores small lanterns or remove it to fit the Enamel Deep Plate Set and more. With padded walls and moisture protecting waxed canvas, it will keep contents dry and safe.

## FEATURES

- 7-liter total capacity
- Fits Barebones Enamel Deep Plate set or up to four small lanterns
- Removable four-section divider
- Durable canvas with leather details and mesh storage pocket

## SPECIFICATIONS

- 25,4 x 25,4 x 14 cm
- 362 gr
- 7 liters

# Zippered Lantern Storage Bag

Item no. LIV-285

Though our zippered lantern storage bag was designed to comfortably store the Barebones Railroad or Forest lantern, its compact size and storage space makes it an all-purpose camp gear companion. With padded walls and moisture protecting waxed canvas, it will keep contents dry and safe.

## FEATURES

- Utility inspired multi-use design
- Protect and store Barebones Railroad & Forest lanterns
- Durable polyurethane base
- Zippered lid stores items securely
- Lid pocket stores wires and accessories

## SPECIFICATIONS

- 20,3 x 20,3 x 25,4 cm
- 272 gr
- 6,5 liters

## Enamel Pins

Rep your favorite Barebones' product in style.

These lightweight Enamel Pins feature four popular designs: Mug, Railroad, Hatchets & Target, and Scissors & Rose. Wear them as a lapel pin, stick them on your Gathering bag, or style up your jacket, shirt or beanie.

Keep the pin in place with a reliable Butterfly clutch keeps pin snugly in place. Durable and resistant to scratches.

### FEATURES

- Material: Metal – Enamel
- Make sure the item is snugly pinned in place with the butterfly clutch before use
- Do not submerge the enamel pin in water.
- Dry completely with a soft cloth to prevent rust if it gets wet.

# Hori Hori Classic

First implemented in Japan, the Hori Hori classic digging tool was originally used for careful and methodical excavating of plants, such as Sansai, in the mountains. Barebones' unique take on this classic implement was designed with garden work in mind. Its rounded top and serrated sides make it ideal for scooping, digging, and pulling weeds. Equipped with a heat-tempered, hollowback blade, full stainless steel tang, and comfortable walnut handle, the Barebones Hori Hori is the diverse garden tool you can use for a lifetime. Intentionally added twine cutter doubles as a bottle opener, so you can enjoy your choice of refreshing beverage after a hard day's work.

## FEATURES

- Copper Ring accent
- Solid wood handle
- Serrated edge
- Knife edge
- Heat-tempered blade
- Full, stainless steel tang
- Twine cutter and bottle opener
- Depth markings

KNIVES & BLADES COLLECTION

## Pulaski Axe

Item no. HMS-2124

Splitting wood in the fresh mountain air has never been so satisfying. Swing the weighted head with ease as its wide angle, 1055 high carbon steel split blade keeps its edge time after time. The 1/3" solid steel core through the hickory handle secures the head with a tightening hex bolt and connects it to the steel pommel end to help you maneuver easily around rooting and trenching.

### **SPECIFICATIONS**

- 60,3 x 27,9 x 5,7 cm
- 2177 gr

# Felling Axe

Item no. HMS-2103

Inspired by iconic 19th-century forestry felling axes and built to deliver that perfect powerful swing. Lightweight 1055 carbon steel head and hand-sharpened 9,5 cm blade come together for smooth cutting precision. Designed to be super versatile, this premium axe does it all: clear limbs and brush, fell trees, drive a wedge, and process firewood. Durable 59,7 cm curved hickory handle is well-balanced, smooth, and comfortable in hand. Easily carry this axe from the backyard to the backcountry. Truly a high-quality tool that does the job that is required.

## FEATURES

- 726 gr hand-sharpened 1055 carbon steel head
- Rounded and sharpened 9,5 cm blade
- Durable 59,7 cm curved hickory handle
- 900D polyester sheath

## SPECIFICATIONS

- 59,7 x 15,2 x 2,5 cm
- 1179 gr

# Field Hatchet

Item no. HMS-2120

A tribute to a land rich with tradition, the Field Hatchet is rooted in heritage and enhanced by modern design. Crafted for precision, the blackened steel blade is complemented by the rich hickory handle. Lightweight and compact, it proves indispensable in fireside work and field games. Includes sheath. Handle and head can be reset.

## FEATURES

- Utility-inspired design
- 10,2 cm cast 1055 carbon steel blade with rear hammer
- Hickory handle
- 900D polyester sheath
- Simple rehandling

## SPECIFICATIONS

- Handle: 43,2 cm
- Blade: 10,2 x 8,9 cm
- Hammer: 2,5 x 3,2 cm
- 725 gr

# Folding Shovel

Item no. HMS-2100

Lightweight, collapsible, and just plain tough. Break up bulky weeds, dig trenches for irrigation, or cover up campfire coals with our newly updated Folding Shovel. Stainless steel 3-position head stays sharp and accurate through hard and soft soil and allows for multiple working positions. Durable beechwood handle fits comfortably in hand and will last through years of use. Designed with an easy twist lock to collapse the head for more compact storage. Great for the backyard or as camping essential.

## FEATURES

- Locking 3-way collar for multiple working positions
- Shovel, trenching, and storage positions
- Manganese steel blade
- Durable beechwood handle
- 900D polyester sheath included

## SPECIFICATIONS

- Shovel extended: 97,2 x 20,3 x 5,7 cm
- Shovel storage position: 76,8 x 20,3 x 5,7 cm
- 1610 gr

# Japanese Nata Tool

Item no. HMS-2116

Clear brush, strip bark, plank wood, make kindling—all with one thoughtfully-crafted tool. Inspired by a traditional Japanese implement and constructed with heritage-quality materials, our Japanese Nata Tool unites versatile function and refined durability. The stainless steel blade and a solid steel core that extends through the length of the hardwood handle lend stability and greater swinging weight yet it still packs thin and light, making it an essential addition to any collection.

## FEATURES

- 4CR13 Stainless Steel
- Vintage-inspired Japanese design
- 30,5 cm easy-sharpen blade
- Full stainless steel tang
- Walnut handle
- Timeless copper accents

## SPECIFICATIONS

- 53,3 x 10,2 x 5,1 cm
- 907 gr

# Japanese Nata Hatchet

Item no. HMS-2126

A nod towards the timeless design of Japanese implements, the Nata Hatchet is as handsome as it is functional. The easy-sharpen blade features 5mm thick 4CR14MoV full-tang stainless steel, ideal for all-around outdoor work. With a wide bevel and serious heft, this hatchet handles controlled chopping, kindling splitting, and trimming with ease. The extra-long edge makes it a go-to for pruning, debarking, and removing limbs. Durable, smooth hardwood walnut handle reduces vibration in hand and resists cracking over time. Intentional details like the copper lanyard ring elevate this hatchet to an impressive quality.

Nata Sheath unites utility and design. Made of 900D polyester with an interior liner, it weathers real-world use while protecting the blade from dulling. Stainless steel belt clip supports easy carrying and accessibility, while the strong handle strap restricts the blade from slipping or moving. Open-end allows for easy cleaning and prevents soil buildup, preserving the blade for years of continued use.

## FEATURES

- 4CR13 Stainless Steel
- Vintage-inspired Japanese design
- 30.5 cm easy-sharpen blade
- Full stainless steel tang
- Walnut handle
- Timeless copper accents

## SPECIFICATIONS

- 40,6 x 9 x 2,5 cm
- 932 gr

# No. 6 Field Knife

Item no. HMS-2118

An indispensable outdoorsman's knife for wherever the journey takes you. The high carbon tempered steel blade, reinforced by a full tang, proves reliable and strong as you attend to the rituals of the outdoors from making fire to setting up shelter and foraging. Purposeful details like an inlaid copper lanyard ring, waxed canvas sheath, and belt clip create a seamless experience and restore your focus on the moment.

## FEATURES

- Traditional, utility-driven design
- 15,2 cm SK5 high carbon steel blade
- Thumb depress for comfortable handling
- Rich and durable walnut handle
- Waxed canvas sheath with timeless copper accent

## SPECIFICATIONS

- 26,7 x 1,9 x 3,8 cm

A photograph of a minimalist wooden outdoor furniture set. It includes a square folding table and two matching chairs, all made of light-colored wood. The furniture is set on a bed of brown mulch in a garden. In the background, there are lush green bushes and a path. In the foreground, there are some white flowers. The lighting is warm, suggesting late afternoon or early morning.
